Sir:

We, David C. Taylor and Ronald L. Hall, Jr., the inventors named in the above-identified patent application, hereby declare: that we are citizens of the United States; that our residence and post office addresses are 1390 West 2000 North, Mapleton, Utah 84664, and 1361 North Lemon Avenue, Menlo Park, California 92025, that we verily believe we are the original, first, and joint

inventors of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendments dated June 3, 2004, November 15, 2004, May 10, 2005, October 17, 2005, and October 11, 2006 was part of my invention and was invented before the filing of the original, above-identified patent application; that we have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendment referred to above; and that we acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

We claim the benefit under Section 120 of Title 35 of the United States Code of the earlier filed provisional application Serial No. 60/146,878, filed August 3, 1999, and entitled DATA EXTRACTION TOOL; and, insofar as the subject matter of the claims of this application are not disclosed in the earlier filed pending application in the manner provided by the first paragraph of Section 112 of Title 35 of the United States Code. We acknowledge the duty to disclose to the Patent and Trademark Office all information known to us to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations, which became available between the filing date of the earlier filed application and the filing date of this application.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful, false statements and the like so made are

punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at MAPLETON, Utah this 14th day of FEBRUARY, 2007.
